

About Us

Camp Dolomites is made up of various athletes from various sports who choose the Fiemme Valley (Val Di Fiemme) to live and train. The common feeling between all of us is the fact that so many people know of the Valley and its huge potential and beauty to sports lovers.

We have only found one sport that you cannot do here and thats surfing!!... but one day someone will master the rapids on a board for sure.

The valleys facilities are top class and are host to hundreds of local, regional, national and international events. Just take a look at some of our packages and the races/events that they are built around.
